

**Description** Students discuss luck in their country  
**Lesson link** Use this activity after exercise 5  
**Time** 10 minutes  
**Extra material** Print out and photocopy the *Luck* worksheet – one for each group

---

## Instructions

---

Place SS in small groups of three or four. Give each group a copy of the *Luck* worksheet. Ask SS to read the questions together and then discuss perceptions of luck in their own country. This is a fluency exercise to give SS an opportunity to talk about luck in the context of their own society. If you have different nationalities in your class, group SS so they all come from different countries.

# Luck

Answer these questions about your country:

- 1 Is there anything people put in their homes for luck?
