

# House and rooms

Hello and welcome back, in this lesson we will be exploring the house.

Where is your house? What is in your house?

## What is a house?

The word **what** is used to find out something.  
Therefore '**what**' is only used when referring to specific information.

A house is a place in which people live, which can also be called home.

People can live in a home with:

**Family**

**Friends**

**Housemates**

**Alone**

**Who do you live with?**

# What types of houses are there?

Depending on the area/country the type of house can change a lot.

**Flat**

**House**

**Mansion**

**Hut**

What type of house  
do you live in?

**Bungalow**

# Where are houses?

The word **where** is used to find out a place.  
Therefore '**where**' is only used when referring to a place or location.

People can live pretty much anywhere. So you can find houses:

**In the city**

**In the countryside**

**On the farm**

**In the suburbs**

**Where is your house?**

## In the house?

Depending on the size of the house it should have rooms.  
Rooms are separate spaces in the house for different actions.

**Bedroom**

**Bathroom**

**Kitchen**

**Livingroom**

**Dining room**

**Study**

A room normally consists of four walls, a floor and a ceiling.

A room can also have a door/s and it can have a window/s.

**A mirror**

**A chair**

## Bathroom

The bathroom is a place in which we **wash** and **get ready**.

## Bathroom

In a bathroom we will find:

**A bath**

**A toilet**

**A washbasin**

**A mirror**

**A shower**

**A towel**

**Shampoo**

**Toothbrush/paste**

**Soap**

## Kitchen

The kitchen is a place in which we **cook** and **prepare** food.

We might also **clean** dishes.

## Kitchen

In a kitchen we will find:

**An oven**

**A microwave**

**A sink**

**A kettle**

**Utensils**

**Mugs**

**Cups**

**Cutlery**

**Plates and bowls**

## Livingroom

The living room is a place in which we **relax** and **watch** t.v or maybe **read** a book.

## Livingroom

**A sofa**

**A television**

**A lamp**

**A coffee table**

**A book shelf**

**A picture**

## Purpose of the room?

Each room has a specific purpose. Each room is designed for different actions. (Verbs)

What is a **verb** again?

A verb shows an action or a state of being.

The past tense is when an action (verb) has been done. It is over! There is a simple rule to change the verb from present to past, you just add (ed) to the verb.

Present

Past Verb + (ed)

=

Verb(ed)

However there are some verbs that do not follow this pattern.

These verbs are called **'irregular verbs'**.

Actions you can do in the house:

**rest / rested**

**sleep / slept**

**wash / washed**

**get ready / got ready**

**cook / cooked**
